

WE ARE PRESENT IN GLOBAL GROWTH

## WHO WE ARE

WE ARE a private company under Angolan law with extensive international experience in **Consulting, Training and Management of Pedagogical Enterprises**, oriented towards development in Africa.

OUR MISSION is to increase responses to the different **needs and cultural identities of the territories**, promoting opportunities for **sustainable development**, increased **economic competitiveness** and **social equity**.

OUR VALUES guide the way we act in the market and are expressed by the three vectors of our code of conduct:

We think beyond the obvious and immediate, deploying talent for operational excellence and capitalizing on opportunities.

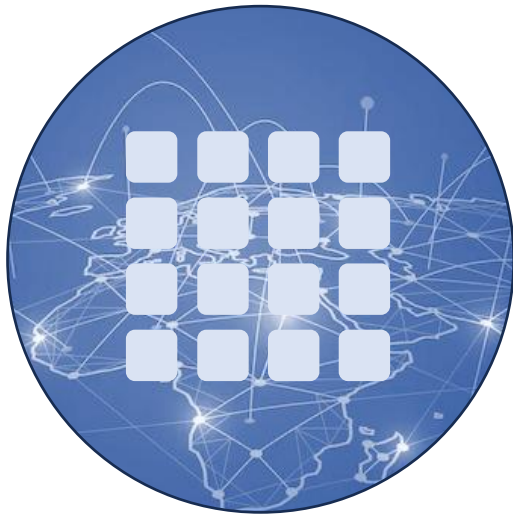

We prioritize integrity, ethics, pluralism and tolerance in our attitudes and decisions.

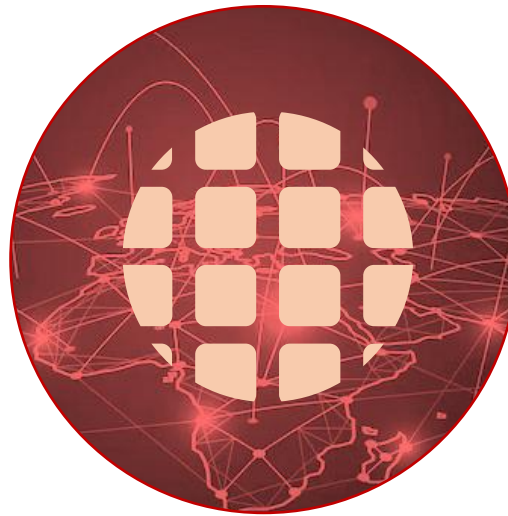

We work within collaborative frameworks, privileging multidisciplinary teams as a driving force for excellence, innovation and creativity.
